The minutes of the previous meeting were read, corrected and approved.
Correction on the date for the Day of Recollection was made on the attached calendar. It will be on March 12, not the 11th. Van also asked if anyone had a suggestion for a priest to be the speaker that day. The addition of a discussion about buying coffee thermoses for the 10:30 mass people to have after the mass for coffee with their refreshments. See old business below.

Treasurer Report: See attached for a detailed report

May 16th Balance: \$ 2,759.64

Income: \$ 1,377.00

Expenses: \$ 2,007.97

Balance 10/10/2010 \$ 2,128.67

23 people have paid their dues, and the rest need to pay for this year.

Old Business:

Arlene said she had priced the coffee thermos at a restaurant supply store, and they were \$60.00 each. The church is going to pay for replacing our 2 coffee pots, that have burned out, because no one turns them off after the 10:30 mass. We had voted to end refreshments after the later mass because of the coffee pot and clean up problem, but were requested to continue it by our parish council president, as his family goes to that mass, and he says that people look forward to it. A motion was made by Paulette and 2nd by Van to purchase 2 Thermoses, and Paulette will see about less expensive ones, but will purchase 2 to hopefully solve the problem.

Sausage Festival: we passed a sign up sheets for bakers, and the selling schedule sign up.

Alma says there is still a chance we will get the pavilion. She will check into it.

Dick Fischlein Mickey Kaiser, and Jack Danley will set up the tent on Thursday night if we do not get the pavilion.

Anne will go to Margaret K. house at 1:00 P.M., to help make up the dough for the keifels on Oct. 25th, the day before baking.

Margaret K. & Paulette will take care of getting supplies for the bake goods, but we all need to get boxes to transport the food to the park

Robin Kaechele has a chance to go to France to study for a semester. She is making Christmas cards to sell to help finance the trip. She asked if they could be sold from our booth at the Sausage Festival. This was approved.

Margaret P. will make up labels for the bake goods, and pamphlets that give our church service hours etc. It was also suggested, by Carol Klein, that the prayer that was in the bulletin last week be on there.

Arlene asked that we put on hold until January the prayer shawl group, as we have a lot going on now, and will soon be into the holiday season.

New Business:

Margaret Peterson will put on the church calendar, the fact that the Ladies provide the refreshments. Some of the ladies requested that their actual name not be put in the bulletin, so it will just be generic.

Van suggested we discuss discontinuing the May Tea, as it is quite expensive for so few people to attend. Discussion was tabled to after the 1st of the year.

Thank you cards for the bereavement luncheons for Carson Williams and Pauline Salzman were received from their families and read to the members. We also received a generous donation from them.

Margaret & Carol Klein wish to be relieved of taking care of the Alter Server cassocks. They have been washing and mending them for several years. Kelly Spenser volunteered to take over that responsibility.

We need to update our card shut in list, and decide who to send our Thanksgiving and Christmas gifts to.

Barbara Riley, and Joyce Horak will gather things for the Thanksgiving baskets.

Van said some of the CCD teachers would like to attend our meetings, but can not, because of the classes. It was suggested we put our minutes of our meeting on the church web site. Kelly Spenser volunteer to have her husband, Jim, put it on there if the secretary (Gerry) will provide them for them. They will be put on there after the meeting, as pending ratification, so that they can know what is currently happening.

Respectably submitted,

Gerry Fischlein, Secretary
